How to make your spinner

You need:

- cardstock and scissors
- glue stick and strong glue
- coins or washers for the arms
- a toothpick or paperclip
- a pin for the centre hole

Steps:

- Cut out two matching shapes
- Glue coins on the arms of one
- Glue the second shape on top
- Pin a hole through the centre
- Push the toothpick through
- Glue a card circle on each end
- Hold the ends and spin!
