A note from Peter

Hi! My name is Peter. I come from Slovakia, a country far away. I am Sakura's dad. I made Mr. Pepo, the light-bulb inventor. He has a robot called Luna and a dog called Sakura.

My mind works differently. I call that a **mental ability, not a disability**. Your mind is special too.

This is your book. You can write, draw or tick. **There are no wrong answers.**

Peter

How to use this book
